SEMINAR

# THE BACK & NECK FACTS

---

Tuesday, January 16, 7:00 p.m.

Prince William Hospital, Medical Building 1, 4<sup>th</sup> Floor Conference Room

Is your aching back more than a pulled muscle? In this free seminar, neurosurgeon James Melisi, MD, will offer an overview of the causes of back and neck pain and an introduction to the latest options for treatment while dispelling common misconceptions about back surgery.

Please reserve your seat today by calling **(703) 369-8543** or visit [pwhs.org/seminar](http://pwhs.org/seminar).
